OUTDOOR LIVING INITIATIVE

Cultivating Community

A space for connection, reflection, and shared life.

CONCORDIA
LIFE PLAN COMMUNITY

CONCORDIA COMMUNITY FOUNDATION

A Place to Gather

At Concordia, community is more than proximity—it's connection, conversation, and shared life.

The Cultivating Community Outdoor Living Initiative is designed to create a welcoming, accessible space where residents, families, and friends can gather, reflect, and enjoy the beauty of being together outdoors.

Designed for Purpose.

Thoughtfully designed outdoor spaces support more than enjoyment—they foster well-being

Time outdoors has been shown to:

- *Enhance mood*
- *Encourage movement*
- *Create natural opportunities for connection*

This new space will provide:

- *A comfortable place for daily connection*
- *A setting for small gatherings and family visits*
- *A peaceful environment for reflection and renewal*
