

## ABOUT US:

Concordia Life Care Community is a not-for-profit organization committed to upholding Christian values while meeting the current and continuing needs of seniors of all beliefs in a safe, secure and caring environment.

As a continuing care retirement community (CCRC), Concordia offers area seniors complete maintenance-free senior living with a full range of health care services including independent living, assisted living, skilled nursing, and specialized memory care.

In an ongoing effort to develop programs that meet the diverse needs of older seniors and enhance our community, we have created a Donor Support Program as a philanthropic vehicle to encourage financial support of these efforts, many of which would not be possible utilizing existing funding sources.

STRENGTHENING OUR COMMUNITY —  
— *Helping Hands and Healing Hearts*

## HELPING HANDS, HEALING HEARTS

---

Concordia's foundation is built on people helping people. And, as a community founded on Christian beliefs, we believe that any time people reach out to help one of God's children in need, they actually minister to God himself. From the visionary efforts of Lutheran leaders nearly 50 years ago, to the opening of Concordia Life Care Community in 2007, we have witnessed the generosity of friends and supporters who helped make our Life Care community possible. Through gifts to four basic funds, individuals, organizations, churches, foundations, and corporations provide support that enriches the lives of Concordia Life Care Community residents and their families, as well as caregivers and staff. All gifts made to Concordia are reviewed by the Chief Operating Officer/ Executive Director, and funds distribution is overseen by the Board of Directors.
